

Dance-a-Thon DJ

The high school student council has decided to have a dance-a-thon and needs to hire a disk jockey for the event. They have investigated 3 companies. *Gabe's Mobile Music* charges \$60 per hour. *Derek's DJ Service* charges \$100, plus \$40 per hour. *Solid Sounds* charges \$175, plus \$30 per hour. Which company should they choose? Why?
