

Grades K – 2nd: Speech and Language

Activity One!

Read a book out loud to someone in your house or ask someone to read to you for 10 minutes! Make sure to use your best speech and language.

Activity Two!

Choose one activity from the list below and check the box when it has been completed.

- Name five vegetables and describe what they look like and where they grow using your best speech and language.
- Play “I Spy” with an adult and find all the things in your bedroom that contain your speech sound.
- Describe your favorite cartoon character using your best speech and language.

Activity Three!

Choose one activity from the list below and check the box when it has been completed.

- Listen for your speech sound while watching a cartoon or other tv show.
- Draw your favorite animal in its natural habitat. Talk about what that animal eats and where it lives using your best speech and language. Would you see it at a zoo?
- Find a spoon, a fork, and a cup. Show an adult that you can put the spoon and fork beside the cup, behind the cup, and under the cup. Put the cup between the fork and spoon.
- Draw the main character and the setting of your favorite fairy tale story.
