

Grades 3rd – 5th: Speech and Language

Activity One!

Read a book out loud to someone in your house for 15 minutes. Make sure to use your best speech and language as you read the words.

Activity Two!

Choose one activity from the list below and check the box when it has been completed.

- Name your favorite movie and retell the plot to an adult using your best speech and language.
- Look at a magazine with an adult and find as many things as you can that contain your speech sound.
- Describe how to play your favorite sport using your best speech and language.

Activity Three!

Choose one activity from the list below and check when it has been completed.

- Spend two hours without tv or electronic devices. Write a paragraph about what you did and how you felt.
- Create and draw an imaginary animal and write 4 sentences using at least one adjective in each sentence. Where will it live? What will it eat? Would you see it at a zoo?
- Draw the beginning, middle and end of your favorite book. Be sure to include the characters and the setting.
- Make a list of 15 words that contain your speech sound.
