Dear LGMS Parent,

Welcome to the start of 2018-2019, school year. We are excited about partnering with you to create a wonderful learning environment for our students. The Henry County Schools strategic priorities for this school year are unifying Henry County around excellence in public education, strengthening our core business of student learning, and ensuring a high performing environment for all students. This summer we have created a plan that focuses our work around these priorities. Our staff has developed meaningful, authentic learning experiences and lessons to challenge and engage all students. As we begin this school year here are a few things to think about:

- Open House is July 26<sup>th</sup>, from 3:00 to 5:00.
- The first day of school is July 30<sup>th</sup>.
- School hours are from 8:45-3:55.
- The earliest you may drop off your student is 7:30.
- Student Computers will be distributed by August 8. If you have not already done so, please be sure to create a My School Bucks account and sign the appropriate permissions. (Insurance is available)

We look forward seeing you and your student at Open House. I am excited for the start of a new school year and the opportunities that await our students. Thank you for your support of our staff and students.
