Dear Parents and Community Stakeholders,

Career Day is rapidly approaching, and we need your experiences! Whether you are a nurse, mechanic, pilot, astronaut, custodian, or business owner--we need you! Our students are looking forward to meeting you and hearing about your occupation. The 2024-2025 TRE **Career Day is scheduled for Thursday, November 7th.**

Our primary goal for Career Day is to increase awareness of career opportunities and expose students to first-hand knowledge of career pathways. This is a great way for our TRE families to get involved and make an impact on our students' future. If you are interested in volunteering to present, or know someone who would be a great presenter, please complete the information below and return to your child's homeroom teacher.

Thank you in advance for your involvement!

Sincerely,

Mr. William Brooks

TRE School Counselor
