Method of Computing Class Rank:

Depending upon cohort, class rank is based upon the cumulative weighted numeric average or GPA of all classes (see next page for specifics).

Class of 2024 Statistics

311 Graduates
88% Graduation Rate
87% pursued a post-secondary education
65% entered a 4-year institution
22% entered a 2-year or technical college
7% entered the military

Special Curriculum Features

Woodland High School offers a full variety of honors and Advanced Placement (AP) classes (see courses in the left margin).

For students entering 9th Grade during the 2018-2019 school year or before, class rank is determined by Cumulative Weighted Numerical Average (CWNA) of all grades. Due to the level of difficulty, honors courses receive an additional 5 points towards the final average and Advanced Placement and Dual Enrollment courses receive an additional 10 points towards the final average.

For students entering 9th grade during the 2019-2020 school year and beyond, Class Rank is determined by Grade Point Average (GPA). Due to the level of difficulty, honors courses receive an additional .5 quality point towards the final grade and Advanced Placement and Dual Enrollment courses receive an additional 1.0 quality point towards the final grade.

Approved Career Courses to Satisfy Fourth-Year Science Requirements (by the Board of Regents)

Agriscience: Plant Science and Biotechnology /Animal Science and Biotechnology

Plant Science/Horticulture: General Horticulture and Plant Science

Family and Consumer Science: Food Nutrition through the Lifespan/Food Science/Food for Life

Health Science: Essentials of Healthcare (Anatomy and Physiology)

Information Technology: AP Computer Science/Computer Science Principles

Law, Public Safety, Corrections and Security: Forensic Science and Criminal Investigation

Transfer Grades: Students not completing coursework in Henry County Schools will have the letter "T" next to the course title on the transcript. This is an indication that the student was not enrolled in the Henry County School System for that school term.

Dual Enrollment Program

Georgia's Dual Enrollment (formerly called *Move on When Ready*) program allows high school students (10th -12th grade) to earn college credit while working on their high school diploma. The new Dual Enrollment program now covers tuition, mandatory fees and provides a book allowance.

The goal of Dual Enrollment is to increase college access and completion, and prepare students to enter the workforce with the skills they need to succeed.

Other Educational Opportunities for Henry County Students

Academy for Advanced Studies (AAS):

The Academy for Advanced Studies is a charter program of choice, providing innovative and flexible learning options for students. Some of the key features of the AAS academic program include additional opportunities for students to participate in advanced and unique secondary programs of study, including academic and career/technical/agricultural education (CTAE) coursework not available at other high schools in Henry County. AAS also provides opportunities for students to participate in college-level coursework, including Dual Enrollment, honors and Advanced Placement (AP), and articulated courses not available at other high schools in Henry County.

Impact Academy (IA): Impact Academy is a virtual school program that combines diverse resources of Henry County Schools to meet the specific needs of individual students. The programs use cutting-edge technology and comprehensive instructional design to reach the different learning styles and multiple intelligences of our students, while providing a rigorous, engaging and interactive curriculum that ensures student success.

- IA students are enrolled in the home/zoned school's clubs, sports, and organizations.
- IA students have access to a comprehensive support system that includes face-to-face help sessions, online office hours, a school counselor, and how-to support. Support Café is a creative way to find help in a one-stop shop.
- IA students also have access to highly regarded and effective online curriculum.
