

#ParentsMatter #GetInvolved

- ❖ Be on the lookout for PGE Events via flyers, website, social media, and campus messenger updates!
- ❖ Visit Rm#210, our Family Resource Center (FRC) for FREE toys, games, books, and resources you can use at home to support what we do at school!
- ❖ Drop in with our Family Engagement Liaison (FEL) to get specific ideas about how to support your child!
- ❖ Attend educational and recreational events to show your child you support their learning here at PGE!

***YOU CAN volunteer, participate,
or observe in the classroom!***

To learn more please contact our Family Engagement Liaison , Mrs. Shakerra Jackson at 770.898.0176, by email at PGEParents@gmail.com.

What is the School Parent Compact?

An agreement that parents, students, and teachers develop together that explains how parents and teachers will work together to make sure all of our students reach grade level standards.

Teachers

Explain school learning goals and suggest home learning strategies

Parents

Add ideas to make strategies more specific to individual student needs

Students

Identify and express which strategies are most effective in helping them learn

PGE's Compact describes how teachers will use high quality instruction to help students develop their academic skills. It also explains how teachers and parents will communicate about school progress, as well as offer opportunities for parents to volunteer, observe, and participate in the classroom! Finally teachers, parents, and students will share strategies that can be used to support academic growth!

GOALS

For Student Achievement

Henry County District Goals 2023-2024

Priority Student **OUTCOMES** to Measure Success:

1. We will advance opportunities, access, and outcomes for every student group in Literacy Proficiency at every grade.
2. We will advance opportunities, access, and outcomes for every student group in Readiness to Learn at every level.
3. We will advance opportunities, access, and outcomes for every student group in College, Career, and Life Ready skills - post graduation.

PGE Academic Goals

- ◆ Increase the percentage of students scoring on or above grade level in grades 3-5 on the GMAS Reading End-of-Grade assessment from 26% to 50%.
*Our school will focus on the following areas:
Determining main idea and key details of a text(s) to summarize effectively; Determine the meaning of general academic and domain-specific words*
- ◆ Increase the percentage of students scoring on or above grade level in grades 3-5 on the GMAS Mathematics End-of-Grade assessment from 29% to 50%.
- ◆ *Our school will focus on the following areas:
Develop an understanding mathematical reasoning by solving multi-step math problems using addition, subtraction, multiplication, and/or division.*

In the Classroom Teachers

As teachers we will work with our parents and students to support individual student academic growth.

This year we will:

- ◆ Ensure parents have access to educational resources provided by the district and school to practice academic concepts at home.
- ◆ Provide parents with question stems to encourage daily math and literacy conversations around the 21st Century Skills of Communication, Collaboration, Creativity, and Critical Thinking
- ◆ Connect parents with Family Engagement Liaison to a resources from the Family Resource Center to support academic growth at home
- ◆ Communicate with parents about workshops, conference, events, volunteer opportunities, and academic supports frequently

At Home Parents

As parents we will develop and share ideas about how families can support student success. At home, we will also support PGE's Academic goals by:

- ◆ Support understanding of academic concepts by utilizing educational resources provided by the district and school.
- ◆ Encourage daily literacy and mathematical conversations and activities to include use of collaboration, creativity, and critical thinking.
- ◆ Check out learning materials from the FRC (Rm #210) to support growth at home
- ◆ Attend and/or volunteer for events at PGE that support learning or obtain information from my child's teacher if I can not attend.

In the Classroom & At Home Students

Things we, as students, can do succeed and excel academically:

- ◆ Complete daily homework using resources provided by the teacher, school, and district.
- ◆ Engage in literacy and mathematical conversations with my family using creativity and critical thinking skills.
- ◆ Make sure my parents look at my agenda/folder frequently to obtain letters, flyers and notes from school.
