

CONTINUOUS SCHOOL IMPROVEMENT PLAN

<p>School:</p> <p>Locust Grove Middle School</p>
<p><u>Mission and Motto</u></p> <p><i>Mission: We believe that personalizing learning, by allowing students to choose the way they learn and demonstrate mastery, increases student engagement and the effectiveness of students' learning experiences in general. With options to learn from online content, teacher-led instruction, and authentic learning experiences, LGMS students will be able to choose the content and learning formats that are most effective for them. These choices will lead to increased student success, which in turn will lead to even higher levels of engagement. The theory of personalized learning is to provide the support to our students by giving them what they need, when they need it. We strive to create an environment that supports this theory by providing the appropriate levels of rigor, relevance, and relationships. At Locust Grove Middle School, learning is personal.</i></p> <p><i>Motto: "Educating the Individual Student"</i></p>
<p><u>Vision & Beliefs aligned to district priorities</u></p> <p><i>The vision for Locust Grove Middle is to create a learning environment that responds to the needs of each student and provides multiple pathways for students to advance in their learning. Students will move through the content at their own pace using a rigorous curriculum that leverages their strengths and connects with their college and career interests.</i></p>
<p><u>School Performance Goals</u></p> <p style="text-align: center;"><u>Goal 1</u></p> <p>Locust Grove Middle School will increase the percentage of students in sixth through eighth grades scoring proficient or above on 2019 Georgia End-of-Grade Milestones assessment in English Language Arts to 45%. Additionally, Locust Grove Middle School will increase the percentage of all students meeting the grade-level Lexile target to 80%.</p> <p style="text-align: center;"><u>Goal 2</u></p> <p>Locust Grove Middle School will increase the percentage of students in sixth through eighth grades scoring proficient or above on the 2019 Georgia End-of-Grade Milestones assessment in Mathematics to 35%.</p> <p style="text-align: center;"><u>Goal 3</u></p> <p>Locust Grove Middle School will utilize the learner profile for students to set and upload student goals, which will lead to students completing a capstone and/or student defense.</p>
